STEPHEN W. SCHWARTZ, AIA

SWS Architects

LAURIE GOODMAN & MARK PERWIEN

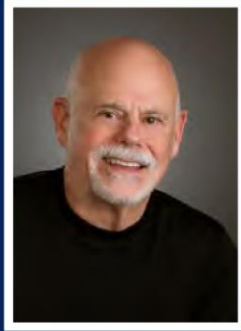

Goodman Perwien Legacy Society Founders

ROCCO VARMA
Varma RE Development

Introduced to JSDD by Board Member, Matthew Jarmel, Rocco began to consider that a partnership with JSDD would be a win-win. He has dedicated 6 of the beautiful new apartments in his luxury building in West Orange for JSDD to be able to support an additional eleven people in need of supervised, supportive housing.

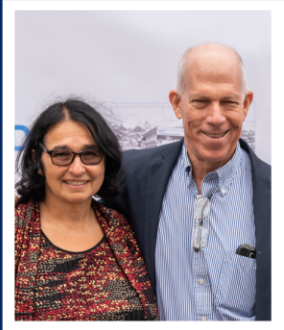

As Rocco has said many times in our meetings... *"it's the right thing to do."*

STEPHEN W. SCHWARTZ, AIA
SWS Architects

Stephen has been involved in creating functional and beautiful spaces for homeowners and businesses since 1970 as the Principal of SWS Architects.

JSDD has chosen to recognize Stephen for his significant, meaningful, and visionary thinking as he worked collaboratively with the team at JSDD to create 310 Eisenhower Parkway as the perfect location for a new building to support JSDD's administrative operations and WAE Center program.

LAURIE GOODMAN AND MARK PERWIEN
Creators of JSDD's Goodman-Perwien Legacy Society

Laurie's and Mark's estate planning and extraordinary generosity throughout the years and their dedication to the agency ensures a bright future for JSDD and all those who benefit from the agency's services.

Dear,
Stephen W. Schwartz, AIA
and
Laurie Goodman and Mark Perwien

It is an honor to share this beautiful evening of giving with such kind
and generous souls as yourself.

Each of you have contributed to this organization's milestones
and evening's refinement!

Rocco, Nisha, and Jaiden Varma

Dear Friends,

It is my pleasure to welcome all of you to celebrate JSDD at their 2023 Annual Gala. JSDD's work is at the forefront of services for individuals with developmental disabilities, providing life-changing residential services, therapy programs, coordination of care, and vital advocacy efforts. JSDD serves 150 people each year but your impact extends to your clients' families and the wider community.

I am proud to have worked with JSDD over the last year to secure federal funds to support their Life | Home | Tech project, a pilot program to incorporate technology in residential settings that will provide greater independence and accessibility for residents. I'm excited to see this work come to fruition over the next few months.

JSDD accomplishes so much, all while ensuring that Jewish values and experiences guide each of their programs. I am so grateful for your important work and look forward to seeing what you continue to achieve.

I would also like to take this time to congratulate tonight's honorees: Rocco Varma of Varma RE Development, Stephen W. Schwartz of SWS Architects, and Laurie Goodman & Mark Perwien of JSDD's Goodman Perwien Legacy Society. Congratulations on this well-deserved recognition and thank you for your dedication to the mission of JSDD.

I am so thankful for all the work JSDD does across New Jersey and I hope you all enjoy the gala. Thank you!

Sincerely,

Mikie Sherrill
Member of Congress

November 1, 2023

Dear Friends,

On behalf of the State of New Jersey, it is my pleasure to welcome all those gathered for the Jewish Service for the Developmentally Disabled (JSDD) Annual Gala.

Established in 1996, the JSDD has remained committed to providing educational, advocacy, and support services for individuals with intellectual and developmental disabilities and their families. This annual Gala serves as an opportune time to recognize the JSDD for its extraordinary work and its dedication to supporting individuals with IDD. As Governor, I am proud to have organization such as the JSDD to ensure everyone has access to equal opportunities and a full quality of life.

Best wishes for a memorable event and please know the entire State of New Jersey stands behind you as you continue to make us proud.

My very best,

Philip D. Murphy
Governor

Dear JSDD Supporters,

As 2022 Honorees of JSDD's Gala, it has been a great pleasure to serve as this year's Event Co-Chairs. We are, especially, proud to be able to report that your support for the 2022 event made a meaningful difference towards increasing access to programs this year. The funds raised resulted in new transportation services provided to JSDD's WAE Center members.

Your support is critical this year, as well, as the WAE Center continues to maintain a high level of program content and the reimbursement rates do not support this exceptional curriculum. The Center's offerings are unique and include multi-media arts, photography, music, theatre, cooking, yoga, gardening and garden to table education, Jewish learning, book clubs, and support for self-advocacy. The agency's offering of therapeutic services continues to enhance individuals' ability to develop and maintain the greatest level of independence possible. Thanks to the functional architectural design of *Honoree, Stephen Schwartz*, there is dedicated space at JSDD for all of this.

Of course, JSDD's residential services are well known for being exceptional. There will be an increase in the number of people we are able to serve thanks to the dedicated affordable units set aside by our *Honoree, Rocco Varma*, in his beautiful new apartment building in West Orange.

Finally, we are grateful that we have been successful in building our donor base these last few years to include all of you. *Honorees, Laurie Goodman and Mark Perwien*, have exemplified philanthropy as we honor them for their generosity and vision for the future sustainability of our services.

Thank you all for being here this evening and for making a difference in the lives of the people supported by JSDD to live, learn and grow in the community with the assistance they need to be successful and lead rich, meaningful lives.

Best regards,
Lori & Jerry Solomon and Matthew Jarmel
2023 Gala Co-Chairs

Dear Friends,

We are very excited to have been invited to Co-Chair the Ad Journal for JSDD's 2023 Gala.

This year's Gala has provided JSDD with the opportunity to recognize the contributions of four exceptional members of the community. All the honorees have demonstrated a unique and meaningful commitment in support of the men and women who reside in one of the agency's homes and/or participate in its programs. They represent the diversity and evolution of an organization and its transformation these past 34 years.

- *Laurie Goodman and Mark Perwien have generously established the Legacy Society that promises to assure sustainability of the agency well into the future for the people we support*
- *Stephen Schwartz thoughtfully and collaboratively designed a permanent home that stands as a symbol of respect and recognition for the work of JSDD*
- *Rocco Varma has provided the incredibly valuable resource of affordable housing within a community in desperate need of affordable rentals*

We are grateful to their families, friends, business associates and to all JSDD's supporters for their generosity. We are so pleased that you have chosen to celebrate all four of these extraordinary people this evening and join us in thanking them. We know you agree that they are all visionaries in distinctive ways.

Thank you for your support!

EXECUTIVE DIRECTOR'S MESSAGE

Dear Friends,

These are extraordinary times in the world. Five residents and three JSDD employees had the privilege of traveling to Israel this summer as part of Jewish Federation of GMW's Centennial Mission. This journey now takes on greater significance as we all struggle to make sense of the senseless for the Israeli people and for Jews around the world.

But these are extraordinary times locally, as well, for JSDD. Our commitment to expanding to meet the needs in the community requires constant attention and careful consideration as we strive for excellence in all we do. The agency's philosophy to serve the individual with a respect for ability and talent is our driving force. The basis upon which JSDD was founded with an emphasis on partnership between individuals and their families and the community continues today.

As we launch our new logo and tag line – Community, Creativity, Growth – we recognize four people this evening who embody these values in their work and lives.

Thank you, Laurie & Mark, Stephen, and Rocco.

Thank you all for supporting JSDD through your generosity and caring support.

Laurie and Mark,

We are honored by your generosity and loving spirit.

We have had the opportunity to observe firsthand all the sacrifices and hardships you have endured, and to witness all that you have done to provide a loving and caring home for your son, our nephew.

We know it was not easy, but we cannot think of a better outcome than that which exists with JSDD.

We are proud to see you both receiving the recognition that you so rightly deserve.

We love you,

Diana Gale, Richard Perwien, and Elly Berman
